Voices of Women in the Pulpit – Debra Sermons
Sunday, February 15

February is Martha Stearns Marshal Preaching month sponsored by Baptist Women in Ministry. We will join Baptist churches all across the country in celebrating that God calls women to all roles in the church including the pastorate and preaching. Debra Sermons, Coordinator for the Urban Core Initiative at Central Theological Seminary will be our guest preacher.

Ash Wednesday Service
February 25 at 6:00 p.m.

High School Mobile Pantry Program

Englewood, Harvesters and the North Kansas City School District have entered into a partnership to provide "homeless" high school students with a tote full of nutritious food each weekend. These kids get a free breakfast and noon meal at school each day. The NKCSO will begin with 50 students. Harvesters will provide and deliver the food and totes. Englewooders will assemble the totes. Representatives from NKCSO pick up the bags on Friday and transport them to the four pilot high schools and distribute them. This is a great opportunity for Englewood to minister to our community.

We remodeled the room we are using to pass Missouri State Inspection. Tables were purchased for the assembly. This was our second week and the reports from the high school social workers were exciting. They were all smiles when they came to get the bags. They thanked us again and again for helping with this program. All of the students were happy and did not mind carrying the bags home. The kids were just thankful for the food for the weekend. The stories made us thankful to be part of such a program. Thank you for making this program a success. Here are the rotating menus used to fill the bags:
