March Potluck
featuring a viewing of the DVD
Beneath the Skin: Baptists and Racism
Wednesday, March 4
beginning at 6:00 p.m.

Beneath the Skin: Baptists and Racism considers past mistakes and future challenges regarding racial unity and social justice. From the trans-Atlantic slave trade to the current immigration debate, *Beneath the Skin* peels back prejudices and confronts them with biblical mandates. Interviewees come from nearly a dozen states and represent the best in Baptist life, including preacher and activist Will Campbell, Aids and Wright-Riggins of American Baptist Churches, USA, and Javier Elizondo of Baptist University of the Americas. The video contains four chapters: racism defined, opening the Bible, encoded racism, and five ways forward. The video is produced by EthicsDaily.com.

Recycling Update

The February recycling check totaled \$120.62. We recycled 6.02 tons of paper and so got \$20 per ton. This was for three pickups in January. Most months we only have two pickups. We saved 18.72 cubic yards of landfill space. Recently the Ministries Committee used recycling funds to support Set Free Ministries, Synergy House, and Northland Assistance.
